

Omkami Apex Series

Fully Synthetic Automotive Engine Oil

Omkami APEX Fully Synthetic series is formulated from high quality synthetic base stock and packaged with premium quality additive. This will provide ultimate performance for engines. It is recommended to use in passenger car and light truck gasoline and diesel engines under all operating conditions. This premium quality engines oil offers excellent protection against wear, deposit, rust, and soot control which will provide long engines life, cleaner engines, and extended drain intervals.

MEET PERFORMANCE STANDARDS

- API SP, CF
- ACEA A3/B4-08
- ACEA C3-10

BENEFITS

- Surpass the warranty service requirements for a wide range of engines
- Premium performance for mixed fleet operations
- Superior piston cleanliness
- Excellent shear stability ensures viscosity integrity throughout its service life and reduces oil consumption
- Enhanced film strength at high temperatures
- Extraordinary oxidation and thermal stability for extended oil drain intervals

TYPICAL APPLICATIONS

- Highly recommended for gasoline engines that requires the latest API SP performance oil, as well as diesel engines including those on Euro 4 requirement
- Suitable for many on- and off-highway applications such as commercial road transport operations, construction, mining, and agricultural industries

TYPICAL PROPERTIES

SAE Grade	5W30	5W40
Density, kg/Litre @ 15 °C	0.853	0.855
Appearance	Clear	Clear
Kinematic Viscosity, mm ² /s @ 40 °C	61.3	84
Kinematic Viscosity, mm ² /s @ 100 °C	10.6	13.3
Viscosity Index	162	165
CCS@-30 °C,CP	5003	5608
Pour Point, °C	-36	-33
Flash Point COC, °C	224	225
TBM,mgKOH/g	8.4	8.6
